

1 1 **3** 5 5 6 7

tengah

↑

kiri

↑

kanan

The diagram illustrates a binary search process on a sorted array [1, 1, 3, 5, 5, 6, 7]. The middle element, 3, is highlighted with a thick border. An arrow labeled 'kiri' (left) points to the '3' from below, and an arrow labeled 'kanan' (right) points to the '3' from below the 'kiri' arrow. The word 'tengah' (middle) is positioned above the '3'.
